Office of the Deputy Commissioner
Bangalore District,
Bangalore, dated 14th July 1928.

Dear Mr. Madhava Rao,

May I know what amount has been placed at my disposal for providing drinking water wells in this district?

As you know I have a programme of 103 new wells this year in addition to which I have to complete a number of works which remained incomplete for want of funds last year.

In addition to the Rs.10,579-3-3 handed back by the Silver Jubilee Committee to this District and substantial contributions from the Village Panchayets I want atleast Rs.15,000/- to complete my programme for this year. As every one of these 103 wells will be provided with tablets with the inscription "Silver Jubilee Well", I hope the Government will make a liberal grant to this District this year.

Yours sincerely,

S.B. Hebbikar
